

Usage instructions SHAKE THAT EASTER Egg Decorating Kit

• Liquid egg dyes:

Use warm and boiled eggs.

1. Separate each color with scissors.
2. Place $\frac{1}{2}$ cup of uncooked rice* (*rice is not included in the kit) into each plastic bag.
3. Cut the tip of the desired color liquid egg dye and pour it into each bag with rice.
4. Close the top of the bag with a twist tie and mix the color by moving the side of the bag with hands.
5. Open the bag with the colored rice and add one hardboiled egg and then close the bag.
6. Shake the egg around the rice until desired color is achieved. Then open the bag and remove the egg from it.
7. Leave the egg to dry on the drying tray.
8. The egg can be placed into different color bag to achieve a multi - color look.

• Egg stands:

Use scissors to cut the egg stands from the sides of the box and assemble them by inserting cutting 1 into cutting 2.

• Drying tray:

Punch out the pre-cut circles from the back of the box and use it as a drying tray.
